

Designed for Samsung

Accessories to make the most of your business devices

Help your people adapt to any job

Your teams have to face a number of tasks throughout their workday. But the cost of loading them up with specialized devices, one for each job, is just too high.

With the right accessories, your people need only carry their Samsung device, adapting to whatever tasks their day throws at them. These best-in-class accessories are designed specifically for Samsung by trusted partners so you can equip your people with the very best to boost their productivity.

- Additional charging slot for spare battery

5 slot Charger with Spare Battery Charging

Keep your team charged up and ready to go.

Details:

- POGO connectivity
- Charge 5 devices at once

Pistol grip for SKX SmartSled Scanners

Combining the comfort of a long handheld grip, trigger-style scanning, with the Android interface users are already accustomed to in everyday life, the Pistol Grip is the ideal SKX SmartSled accessory.

Details:

- With 6.000mAh battery
- Light and ergonomic

Portrait / Landscape Holster for XCover 5 & XCover Pro

The magnetic wrap closure secures and safeguards on-the-go. Adjust with ease to meet your needs - a simple flip transforms your case into a sturdy stand for comfortable typing. Flip again for easy viewing, with smooth rotation from portrait-to-landscape positioning.

Details:

- Patented 360° rotation for portrait/landscape viewing
- Precision cut access to controls, ports and camera lenses
- Boosts sound with audio-scoops that direct sound toward user

Phone Belt Clip

Securely clicks in place on top of the handset, meaning users can work hands free without the fuss of pockets

Details:

- Ideal for wearing gloves and no need to fiddle with holsters
- Snaps onto belts securely

Field-Ready Case with Hand-Strap

The perfect solution for a wide-spread number of industries, with secure and durable casing

Details:

- Additional protective housing
- Durable, flexible handstrap for use in harsh environments

Field-Ready Case with Belt-Clip

All the convenience of the belt-clip, with additional protection and ergonomic benefits

Details:

- Additional protective housing
- Belt-clip for easy, instant access

Field-Ready Case with Kickstand

Let your on-site teams free up their hands while keeping an eye on important information. This way, users can get on with their work without having to put tools down to review plans.

Details:

- Military-grade drop tested
- Pop-out kickstand

Spare Battery (for XCover devices and Tab Active3)

Don't lose time to low power—equip workers with a spare battery.

Spare Battery 4-slot or 20-slot charger

No power, no problem. Charge spare batteries then keep them in reserve to make sure you never run out.

Details:

- Charge up to 4 or 20 spare batteries at once

Magnetic Keyboard

Help your teams work at office-level productivity when in the field. On-site engineers can type up reports on the go, even in wet and dusty conditions.

Details:

- POGO connectivity
